

# ***Respectful, Responsible Parenting: A Facilitator's Guide (Revised Edition) 2007***

Editors: Beth Johnson and Janice Solem

Publisher: Saskatoon Adlerian Society, Saskatoon, SK Canada

**A complete guide for parenting group facilitators with 115 pages,  
plus over 100 pages of reproducible handouts.  
Used widely in facilitator training programs**

The manual includes:

## **An Introduction to Adlerian Psychology**

With many attractive handouts

## **Icebreakers/Energizers:**

A large selection of activities for helping participants feel comfortable, interested, and enthusiastic

## **Leadership Skills & Group Dynamics:**

Plenty of practical tips on preparing for and leading groups

## **Session plans:**

Flexible lesson plans, with lots of choices of material and activities on each topic. Many sections include enough material for more than one session. Handout sheets that highlight the basic teachings are included at the end of each session.

Sessions included are:

- Getting Started
- Family Relationships
- Family Constellation
- Encouragement
- Communication
- Goals of Behavior
- Positive Discipline
- Problem Solving and Family Meetings
- Dealing With Feelings, Anger, and Stress
- Children's Fights and Other Parenting Challenges

This manual references many books and resource packages that are available in the field of Adlerian-style parenting.
